Letter of Intent

This letter supports the application of the Center for Advanced Mathematical Methods in Information Technologies (CAMMIT), Mathematical Institute, Serbian Academy of Sciences and Arts, Belgrade, Serbia and Montenegro, to the FP6 “Specific Support Actions (SSA) for Western Balkan Countries”, Identifier (FP6-2004-INCO-WBC/SSA-3), Activity area (Specific measures in support of international co-operation), Specific programme (Integrating and Strengthening the European Research Area).

I express my willingness to establish cooperation with CAMMIT through visits of researchers from my research group to CAMMIT and visits of researchers and graduate students of CAMMIT to the University of Arizona and to investigate the possibilities of starting joint research projects.

In Tucson, Arizona
Date: March 3, 2005

Sincerely,

Bane Vasic
