Belgrade Summer School on Dynamics, July 17-22, 2021

First Announcement

Mathematical Institute of the Serbian Academy of Sciences and Arts will host Belgrade Summer School on Dynamics, July 17-22, 2021, organized by Vladimir Dragović (UTD/MISANU) and Vadim Kaloshin (IST, Austria).

Target audience are undergraduate and graduate students and researchers from Serbia, the region, and around the globe interested in modern dynamics.

The school will be organized online with possible hybrid elements, if the situation with the pandemic permits. The lectures will be given by Vadim Kaloshin (IST, Austria), Marcel Guardia (UPC, Barcelona), Martin Leguil (UPJV, Amiens), and Hamid Hezari (UC Irvine).

The event is supported by the Seminars Mathematical Methods of Mechanics and Combinatorics, Geometry, Topology, and Algebra and by the journal Theoretical and Applied Mechanics.

All interested should contact Filip Jevtić by e-mail: BelDyn21@mi.sanu.ac.rs by June 17, 2021. The application material consists of a CV, a short statement of interest and for students a recommendation letter.
